

**Midlands No Fear
9-High Online Swiss Teams
Saturday 25th September
2.00 pm Start
£8.00 per team entry fee**

Following the success of, and feedback from, the recent Swiss Teams series, the Midlands Counties have decided to run another online series over the winter.

The next event, on 25th September, will be 9-High. Once again, the event will be run on RealBridge, giving you the opportunity of seeing and talking with your partner and opponents and there will be pairs, teams and also county rankings.

Avon entries by email to Sue O'Hara, secretary@avoncba.org.uk please, including names of all the team members, by 22nd September 2021, following which your county representative will give you payment details.

This is the second series of events run by the Midlands Counties to widen the opportunities for representing their county to players of all standards. Following favourable feedback from the last series, the game is hosted on RealBridge.

We have given consideration to our desire to provide representative opportunities to as wide a range of players as possible. We plan to run two 9-High events and two six-high ones.

For this event partnerships with an NGS of 9 or below at the time of entry are eligible (so an 8 and a 10 is fine. However, to check, please look up your and your partner's %age grade, add them together and make sure they don't come to more than 106). This restriction will again ensure that everyone has a comfortable game (which is also a feature of Swiss competitions). Please consider making up a foursome and coming along (if you need help with team-mates or if Swiss Teams is new to you, please just ask). County rankings will be decided on the basis of each county's three best team scores.

The competition will consist of around 25 boards, starting at 14.00 hrs on Saturday 25th September 2021.
